PRESIDENT: Now, Senator Whitney just approached the Chair and mentioned that he has a Retirement Committee meeting and so he wants to bypass the 5 bills that he had proposed. I understand that Senator Maresh had another bill in there, he was looking at. Senator Kelly, for what purpose do you rise?

SENATOR KELLY: To get in on this gravy train thing. I got one.

PRESIDENT: Stand by. Senator Proud did you o.k. the one by Senator Maresh. I think he's looking at, hmm, I had it written down I thought.

Our Airport Authority is requesting this change in the statutes to allow airports on county lands the same privileges that are allowed on municipal land.

PRESIDENT: Any further discussion of the bill? Senator Snyder, did you wish to be heard on this bill? Okay, Senator Carpenter? Does it have the emergency clause?

CLERK: It does not appear to have, no.

SENATOR CARPENTER: I think, they have a special problem there and I'd like to suggest we add the emergency clause. It takes
